WRITING

2) I was dark and I could hear strange sounds all around me. In the bushes around unknown sounds put me in fear. Now I started to think that it was a bad idea to go to jungle dungeon for the ancient treasure that was made by Inka civilisation lived here many hundreds of years ago before conquistador's travel. I am sitting in the middle of the dungeon and look at the walls. Many of this creeping images was made by people like me. Frightened, scared and jealous. I got to this dungeon because I wanted to make easy money.

Then I go to the door behind me. This door was one way from this room. A tunnel is a dark place with a creepy sounds and without light. I am going to escape from this place and I go without stoppings.

I found an exit. This is the most bad experience in my life. I just wanted to run out.
