My new friend

I want to the camp this summer. There i met many guys. They are very cheerful, ~~f~~riendly and polite. Of course in the camp, i talked with all the guys, but with the girl I became very close friends. Her name is Polina. She is 14 years old. She is beautiful, kind, talented. I spend more time with her, so i liked most of the girls from all the girls, and we have a common interest. We are engaged in dancing. When the change is over we went to our cities, but we also support communication on the internet. I hope that next year we will see each other again.
